Hi Richard

Please find attached latest draft of Norton Rose opinion, which hopefully addresses the remaining open issues. In particular, please note that we are addressing the management & control issue by holding board meetings, in Ireland, of Solo followed by Broadgate, at which the revised investment policy will be approved. These board meetings are scheduled to take place on Thursday.

Let us know if you have any comments.

Best regards  
 Guenther

Hi Richard

Please find attached revised supplement to include the additional investment policy language intended to address concerns around management & control of the fund in Ireland. We are planning on holding the board meeting next week on Thursday. Please confirm that you are happy with the changes.

Best regards  
 Guenther
